

FCA's

- ✓ Assignment is complete.
- ✓ Assignment is free from spelling errors.
- ✓ A student uses time efficiently and effectively.

Requirements:

A. Research 5-7 careers you might be interested in. Take notes on the questions below.

B. Create a Power Point slide show with your information

1. Title the slide with the name of the career.
2. Include one image per career.
3. Use Bullet points to describe the following aspects of each career.
 - What responsibilities you will have/ what you will do.
 - Where you will most likely work.
 - What kind of schedule you might have.
 - What you should study in college.
 - What you should like/ be interested in.
 - What salary you might expect (how much the job will pay).
 - What kind of job market you should expect (how many jobs are out there).
 - Other interesting or important information.
4. References/bibliography with the web sites you used for research.
